Design Tools Figma (Design Software), Adobe XD, Sketch, Canva, Blender (Basic), Framer, Webflow, Emergent
Graphic & Motion Tools Adobe Illustrator, Photoshop, After Effects, DaVinci Resolve, Adobe Premiere Pro, Flow, Eleven Labs
Concepts UI/UX Design, Wireframing, Prototyping, User Research, Interaction Design, Responsive Design, Branding, Motion Graphics
Soft Skills Creativity, Problem-Solving, Communication, Time Management, Collaboration, Adaptability

EXPERIENCE

UI/UX Design Intern Nov '24 — Apr '25
Intellectsia AI Mumbai, India

- Delivered end-to-end UI/UX design for web and mobile applications, covering research, wireframing, prototyping, and usability testing (Figma, XD, Sketch).
- Collaborated with cross-functional teams in Agile sprints to design accessible, user-friendly interfaces.
- Developed and maintained scalable design systems, style guides, and reusable components to ensure brand consistency.
- Created pixel-perfect, responsive designs aligned with WCAG accessibility standards, including iconography and micro-interactions.
- Designed digital marketing assets (social media creatives, posters, banners) to strengthen product branding and user engagement.
- Applied design thinking to identify pain points, optimize user flows, and enhance usability through iterative testing and data-driven insights.

PROJECTS

AI-Powered USB Tool for Bypassing Windows Passwords and Recovering Encrypted Files
